

Superclens recommended cleaning products

Domestic and Professional Carpet Cleaning

Carpet Cleaning Product Range

Our range has been created to work perfectly with both machines.

Carpet and Upholstery Shampoo – 2 litre

A highly concentrated, powerful carpet and upholstery cleaner formulated to kill germs, dust mite allergens and odours to leave your carpets in showroom condition. Built in Anti-Foaming agent for added value and performance. A deodoriser with a light fragrance eliminates unwanted carpet odours. Cleans up to 800sqft. Approximately 4 average rooms. (1litre also available).

£8.99

Heavy Traffic Cleaner – 500ml

A powerful pre-cleaning treatment for all heavy traffic areas. Formulated to start loosening ground in dirt prior to using the carpet cleaning machine. Can also be used on stubborn stains.

£3.99

Pet Guard Carpet and Upholstery Shampoo – 1 litre

Specially formulated to tackle the carpet and cleaning requirements of homes with pets. Formulated to lift the deep down dirt left on carpets and upholstery by pets. This shampoo combats pet odours and eliminates stains, leaving your carpet and upholstery fresh and clean.

£7.49

Water Based Stain Remover – 500ml

An effective spot stain remover specially developed to help remove wine, coffee, tea, beer, cola, fruit juice, blood, pet and infant stains from carpets upholstery and other fabrics. Use as pre-machine and cleaning treatment for carpets.

£3.99

Multi Stain Guard – 500ml

For use on newly or freshly cleaned carpets and upholstery. The Multi-Stain Guard will provide added protection. The pro-active formula will help prevent re-soiling and repel stains, reducing the need to machine clean.

£3.99

Upholstery and Fabric Cleaner – 400ml

The deep cleaning foam action of the upholstery and fabric cleaner is particularly effective on all types of upholstery, fabric and soiled sports shoes. In the home or in the car. It provides a safe and fast acting way of cleaning soiled surfaces. For stubborn stains, use one of the Superclens Stain removers.

£3.99

Oil Based Stain Remover – 200ml

An effective spot stain remover specially developed to help remove tar, oil, chewing gum, shoe polish, paint, adhesive and paint marks from carpets, upholstery and other fabrics. It can also be used to remove unwanted sticky residue left by adhesive labels. Use as a pre machine cleaning treatment for carpets.

£3.99
